Ray,

Two attachments are forwarded for background information. These were prepared to aid in planning test procedures for acceptance testing of the [ ] Processor. Attachment (1) entitled "Test Parameters" contains work statements incorporated in the [ ] developmental contract with [ ]. Attachment (2) entitled "Excerpts from [ ] Test & Evaluation of [ ] Wide Film Processor" contains statements concerning the first rejection of the processor.

Because [ ] prototype equipment it is realized that certain contract waivers and perhaps additions have been made during the  $3\frac{1}{2}$  year period of contract performance. It is requested that these changes be listed with any pertinent data as to reason.
